

PRESS FOR AR74-2

(Somewhere in Erewhon) Melvin Schwartz, HRE and mayor of Vienna, could see a heavenly glow on the horizon. He knew that it was the home of God Walker, Duke of San Diego, and honorary Diplomacy nut. Perhaps Melvin would learn what Diplomacy was all about this time. He still hadn't gotten over his experience with Ego Birsan.

"Nyah Ha Ha, I will fix my readers this tim," God could be heard saying "They'll never get this one. What is Conrad Von Metzke's real name? If anyone gets that, I'll give them a free sub to The POUCH. They'd deserve the punishment!"

"Excuse me, but are you God Walker?" Melvin cautiously asked.

"Why yes, and who might you be? Certainly not an Air Force man, cause I'd recognise you."

"I am Melvin Schwartz, Holy Roman Emperor, and mayor of Vienna!"

"Is that supposed to mean something to me? I am God and know all! I asked you who you were, not what your name was!"

"Please don't scream so! I'll answer. I am the seeker of the answer to the question of what is Diplomacy?" Melvin asked restraining his tears.

"Oh." God simply answered.

"And I was told that you could tell me. Could you?"

WILL God Walker tell Melvin what Dippy is all about? Will he give him the measurements of Naomi? I doubt it, but you'll find out!

...diplomacy games also. No charge, if you notice anyone moves missing just send in the ones for the next season and if that person doesn't rectify the mistake you'll get the position.

ATTENTION/ STEPHEN DAVIS, TOM BEREN, TIM CARLETON, ALEX KATZOFF, AND JOHN MIRASOU OF COMMAND POST, (YES YOU!) An OWWT game was announced last issue and you guys were in it. Where are the moves? Tom and Alex are the only ones that were paying attention it seems.

Our final new Diplomacy game is about to open, we only need one more person. Already paid and raring to go are Ronald Fischman, Steve McClendon, James B. Thomas, John Baker, David Hertz, and Cameron Schaffer. Does someone out there want to put joy into the hearts of these people and get them off of my back?

Another game that is almost filled up is our Transatlantic variant. So far we've got Ron Melton, inventor, Tom Beren, Ben Grossman, Greg Costikyan, Cameron Schaffer, and Stephen Tihor. Only need one more. The game fee is only a dollar plus sub for this one!

Our regular game fees are only two dollars plus a sub which is probably going to stay around the present price of 12 for \$3 for awhile.

You no longer have to worry about the Briefing Room coming out late. You people in the games are going to get yours on time no matter what. Ron and I finally noticed that if we got the BR typed up we could send it out early.

ABurSAMun FAnk-Bla for this game and all games is due in  
AParSABre-Pic FConSFAnk-Bla about three weeks. October 14, 1974.  
 ABre-Pic David Lagerson's position is probably  
ABor-Mid AArm-Sev not up for grabs, he changed his ad-  
 dress and didn't get a copy of AR, but  
 the game has got to go on, it had been delayed for about three months. I  
 know how frustrating it can get to wait for your moves and its delayed.

### MORE PRESS FOR AR-74

(GOD LAYS DOWN JUDGEMENT) "Diplomacy my dear Melvin is doing what you want,  
 when you want. To be honest with yourself, and care about yourself more  
 than anyone else. Does that answer you question? Not really I suppose.  
 You see I don't really know what Diplomacy is. What I gave you was a phil-  
 osophy of life. I'd advise you to see John Boobman, editor of Grossout. He  
 might know."

"Well thank you anyway sir." Melvin politely responded, and as he wal-  
 ked away he heard God talking to himself again "Nyah Ha Ha, they'll never  
 get this one....."

WOULD John Boobman know the answer? Would Naomi marry Melvin, or divorce  
 him? And what about Grossout? Well what about it.

 ARuh-Bur AParSABre-Pic This is awkward, I've got this space to fill

 ABer-Mun I guess I'll just surprise everyone and leave  
FBel-Eng if comepletely, totally blank. I won't put a single thing in  
 that space. I think that unbroken, empty space is nice to  
 look at once in a while. It kind of breaks up the monotony of the page and  
 makess it easier to read, I mean who can't read a blank space?

Ditto for Tim Carleton and Len Lakofka.  
Please get your moves in, I am not holding  
the game up any longer. Substitutes for all  
three are called. I think that David Lag-  
erson moved and didn't get his issue of AR  
anyone know his address? I enjoyed his press. Remember I encourage press.
